

## **O**THER RELEVANT INFORMATION

**Madrid, 15 June 2022.** Pursuant to Article 227 of the consolidated text of the Securities Market Law approved by Royal Legislative Decree 4/2015, of 23 October, Fomento de Construcciones y Contratas, S.A. ("FCC") hereby informs the market of the following relevant information:

The Board of Directors of FCC, at its meeting following on from the Annual General Meeting of 14 June 2022, passed the following resolutions:

- To execute the resolution to distribute a scrip dividend passed at the Annual General Meeting held on 14 June 2022, under agenda item four.
- To execute the resolution to reduce share capital through the redemption of treasury shares passed at the Annual General Meeting held on 14 June 2022, under agenda item five.

In relation to the aforementioned resolutions, the Board of Directors of FCC has also agreed that the reduction of share capital through the redemption of treasury shares shall be carried out once the resolution to distribute the scrip dividend has been fully implemented, so that the reduction of FCC's share capital does not affect the calculations already made to establish the relevant amounts and other key figures of the scrip dividend. Once FCC's share capital reflects, where appropriate, the capital increase necessary to implement the scrip dividend, all necessary actions will be taken to formalise the agreed reduction in share capital.
