

DIVERSITY

FCC shows its commitment to equality and diversity on International Women's Day

Once again this year, FCC is celebrating International Women's Day to showcase its commitment to equality, female leadership and diversity at its corporate headquarters in Las Tablas (Madrid). The event, which was opened by Esther Alcocer Koplowitz, chair of the FCC Group, revolved around a round table discussion under the slogan "Women Pioneers".

INNOVATION

Travel to Houston (USA) of the winners of the roota programme

The winning team of the roota intrapreneurship programme, and creators of the innovative idea "Digital Twins: Our window to the future", enjoyed a trip to Houston (United States) in recognition of their outstanding project.

PEOPLE

Sonia Santamaría, managing director of Megaplas

Sonia Santamaría has embraced the challenge of leading Megaplas' growth over the coming years. She has a clear focus and strategic vision on how to strengthen the company: focusing on technological innovation.

WELLNESS

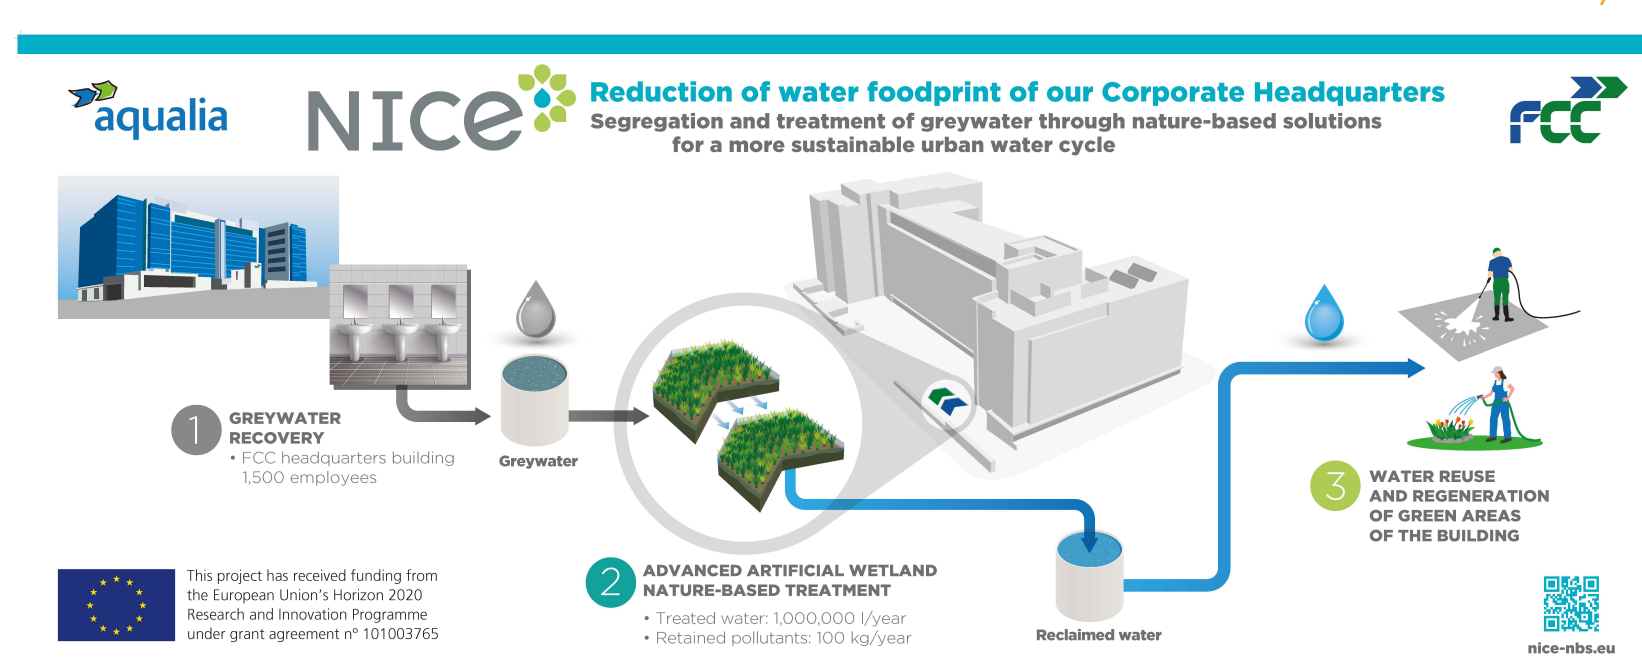

FCC presents the awards for the VI edition of the LIVE Healthy Awards

FCC held the awards ceremony for the 6th VIVE Saludable Awards at FCC's corporate headquarters in Las Tablas (Madrid). The awards recognise and value the organisation's unwavering efforts to promote safety, health and well-being in the workplace.

GROUP

Las Tablas Corporate Headquarters, a benchmark in sustainability

Aqualia's Innovation Department and the building's General Services are working hard to collect, regenerate and reuse 100% of the grey water generated at the company's headquarters.

The FCC Group is holding a conference in Colombia to raise awareness of travel security and risk management
