A cybersecurity-enhancement initiative at the 3rd “i4U” Aqualia Innovation Awards

Aqualia recognises the best projects put forward at the third “i4U” Innovation Awards, an initiative aimed at developing internal talent and promoting innovation culture among the company’s team.

INNOVATION

The Santiago Bernabéu, constructed by FCC Construcción, named the Best Stadium of the Year at the World Football Summit 2024

The Santiago Bernabéu, which was designed and constructed by FCC Construcción, has been handed the Best Stadium of the Year award for 2024 by the World Football Summit (WFS), the premier global-football industry platform.

DIVERSITY

FCC Medio Ambiente wins a prize for its Diversity and Inclusion Strategy

Fundación Adecco and the Sustainability Excellence Club have handed out the Best Diversity and Inclusion Strategy prize to FCC Medio Ambiente at the 7th Diversity and Inclusion Awards.

PEOPLE

Vicente Colás Ramos, Manager of the FCC Medio Ambiente-Fobesa JV, honoured by the Castellón Local Police Force

FCC Construcción UK undertakes volunteer work assisting a South Wales secondary school (United Kingdom)

César and José Francisco’s acts of heroism

We would like to show our appreciation for César and José Francisco, two FCC Medio Ambiente workers, for their critical intervention on Santiago Bridge (Puente de Santiago) in Zaragoza. Thanks to their swift action, they saved a young woman in dire straits. Getting to her immediately was essential for ensuring that they could give her the help that she needed, and their conversation with her was key to saving her life.
