GROUP

# 125 years of FCC in a unique exhibition

The exhibition brought together a carefully curated selection of historical documents, photographs, emblematic objects and material resources such as vehicles, lorries, etc., reflecting the company's evolution. Through a tour of five rooms, visitors were able to learn about the most significant milestones, as well as the challenges and transformations experienced over these 125 years.

## DIVERSITY

**FCC renews its commitment to Fundación ONCE and will reach 1,200 contracts for people with disabilities**

The signing of this agreement is part of the measures promoted by FCC to improve the employment and social integration of people with disabilities.
