GROUP

FCC pays tribute to employees celebrating 40 and 25 years with the company

The FCC Group presented its Loyalty Awards to employees celebrating 40 and 25 years with the company at a ceremony held at its corporate headquarters in Las Tablas, Madrid. The event was presided over by Esther Alcocer Koplowitz, chairwoman of the FCC Group, and Pablo Colio, the company's chief executive officer, accompanied by Íñigo Sanz, CEO of FCC Servicios Medio Ambiente, and Santiago Lafuente, CEO of Aqualia.

GROUP

Aqualia and FCC promote the NICE project at their headquarters in Madrid

Aqualia and FCC have launched the NICE project at their corporate headquarters in Las Tablas (Madrid). This innovative plant, designed for the recovery, regeneration and reuse of grey water, is led by Aqualia's Innovation Department in collaboration with FCC Group's General Services. It represents a milestone in sustainability, as it is the first underground wetland installed in a functioning office building.

INNOVATION

FCC celebrates the fourth edition of Innovation Day, an innovation event promoted by its Digital Innovation Lab

For the fourth consecutive year, the FCC Group has held its Innovation Day, an event promoted by the company's Digital Innovation Lab (DLab), which highlights the strategic role of innovation not only as an internal strength, but also as a fundamental lever in creating value for the Group.

DIVERSITY

FCC joins forces with the ONCE Foundation to commemorate the International Day for the Elimination of Violence against Women

FCC honours Fundación ONCE for its work and support for women who are victims of gender-based violence

Here we all paint! the FCC Group's initiative against gender violence
