we are FCC

GROUP

FCC endorses its business model and international growth at its 2026 General Shareholders' Meeting

At this annual event, both the Chairwoman and the CEO agreed that 2025 was a year of progress, highlighting the commitment of the Board of Directors, the management team and all Group employees as the fundamental pillars underpinning the results achieved.

GROUP

FCC Group Legal Services hold their 6th International Meeting

FCC Group Legal Services held the 6th International Legal Services Meeting under the theme "Legal and Commercial Relationships in the 21st Century: New Challenges for Legal Services". The event has become a well-established forum for reflection and analysis of the key challenges facing the legal function in an increasingly complex global environment.

Esther Alcocer Koplowitz receives the CNC Lifetime Achievement Award

Esther Alcocer Koplowitz, Chairwoman of FCC Group, received the National Construction Confederation (CNC) Special Lifetime Achievement Award. This is the highest honorary distinction awarded by Spain's construction employers' association, recognising a business career marked by dedication, hard work and international reach.

INNOVATION

AQUALIBER-N and LABMÓVIL win the second edition of Roota, while GreenScore Plug-In is named finalist

During the Demo Day, the finalist teams presented their projects to an evaluation committee comprising business area directors and members of the Executive Committees of FCC and Inmocemento. Following the assessment process, two teams from Aqualia, AQUALIBER-N and LABMÓVIL, were recognised as the winners of this edition.
