News for the people of **FCC** Citizen Services

PEOPLE

Women at the wheel of Madrid's waste collection

Purificación Aires and Mercedes Martínez, the first two women to take the wheel of waste collection trucks in Madrid. They enjoy their work and feel both proud and fortunate to provide such a service for citizens. Having completed their first year on the job, they hope that next year will be just as rewarding.

Two FCC employees save a life

Sergio Ortiz and Raúl Pérez, who work at the Mandor sports centre, managed by FCC, revived a driver who suffered a cardiac arrest in the Valencian town of L'Eliana.

ASA employees in action

The first phase of ASA's training courses to improve professional skills and knowledge of its employees in the Czech Republic was a success. The courses are part of the framework of the Human Resources and Employment Operational Programme.

Aqualia awards in painting contest for employees' children

The winners, accompanied by their parents, were treated to a guided tour of Santiago Bernabéu Stadium in Madrid followed by lunch.

THE COMPANY

Winners announced in the first edition of the Eco-efficiency Awards

Lucía Monforte Guillot, from FCC Construction, won for her project entitled "Sustainable mobility at a responsible company".

Nuria Caba i Calbet, from FCC Environment, took a prize for her initiative: "Improved lawn management for better use of irrigation water".

Pieter de Conninck, from Flightcare Belgium, received an honourable mention for his project "Potable Water. Review of Tank Disinfection & Water Treatment".

Álvaro González Rodríguez, from FCC Construction, also received an honourable mention. His proposal was called "Electrolinera".

MANAGEMENT

Javier Aranda, an exemplary volunteer at the La Nostra Casa retirement home in Valencia

Javier, who is Head of Operations at Flightcare's east coast offices, volunteers at the La Nostra Casa retirement home in his free time. He is very popular among the residents, as his cheerfulness makes their free time that much more enjoyable.

New Volunteer Portal inaugurated

The new portal, accessible from the intranet and FCC Group's website, provides information on the activities proposed by the company's volunteers as well as photos and news on past and upcoming conferences and events.
