INNOVATION

Innovation Day x DI_Lab

FCC holds an innovation day organised by its Digital Innovation Lab, a space for sharing knowledge and developing ideas

Digital Innovation Lab (DI_Lab) is a think tank focused on improving the efficiency of company processes through digital transformation, adding value to businesses and improving agility in identifying and understanding current and future challenges in the digital world.

GROUP

FCC pays tribute to the company's employees on their 40th and 25th year of service

FCC Group presented its Loyalty Awards to employees who have been with the company for 40 and 25 years, in a tribute event held at the corporate headquarters in Las Tablas, Madrid. The event was presided over by Esther Alcocer Koplowitz, chairwoman of the FCC Group, and Pablo Colio, managing director of the company.

THE PLACE
