

Nº 25 / 2023

We are FCC

THE GROUP

FCC and its commitment to women in STEM on International Women's Day

The company has once again celebrated International Women's Day, with the opening speech made by its president, Esther Alcocer Koplowitz. Under the round-table format and the slogan "Talking to Women in STEM", the event focused on women with careers in science, technology, engineering and mathematics.

THE GROUP

The FCC Corporate Headquarters in Barcelona is celebrating its 100th anniversary

1923 marked the beginning of the construction of the FCC headquarters at number 36, calle Balmes. This historic building is part of the Architectural Heritage of Barcelona.

THE LOCATION

Castile-La Mancha and Aqualia are committed to improving the circular economy

The regional ministry of Castile-La Mancha and Aqualia are developing a project to provide solutions and promote new specific circular economy actions across the entire water cycle.

EQUALITY

The special employment centre FCC Equal Comunidad Valenciana starts up the new street cleaning service in the town of Massamagrell

Massamagrell council has awarded the new street cleaning contract entirely to the FCC Equal Comunidad Valenciana Special Employment Centre, a subsidiary of FCC Medio Ambiente.

PEOPLE

Read these three interviews in We Are FCC magazine no. 25

Laura Hernández Fernández, Head of Production of the Canary Islands local office

Natalia Abánades Velasco, Works Manager of the Madrid Metropolitan Forest project

Jaume Pérez Romero, in charge of maintenance of the FCC Carriage Museum in Barcelona

Miguel Angel Cano, an employee of FCC Medio Ambiente in Zaragoza, receives the "Marta Paricio Lozano" award

FCC Construcción and the Dr. Campos Castelló Association collaborate to promote the independent life of people with intellectual disabilities

WELL-BEING

FCC Medio Ambiente is given a five-star rating in the British Safety Council's Occupational Health and Safety Audit

Safety as a value in the Cementos Portland Valderrivas Group

Under the theme "Safety is not negotiable", the Health and Safety department has scheduled theoretical-practical training for 2023 geared at its workers, and focused on strengthening the preventive culture in the organisation and continuing to promote safer behaviours and habits among its workers.
