

Nº 28 / 2023

We are FCC

THE GROUP

FCC pays tribute to the company's employees on their 40th and 25th year of service

The ceremony was presided over by Esther Alcocer Koplowitz, chairwoman of the FCC Group, and Pablo Colio Abril, CEO of the company, accompanied by the CEO of Aqualia, Félix Parra, and the CEO of FCC Medio Ambiente, Jordi Payet.

THE GROUP

Esther Alcocer Koplowitz, chairwoman of FCC, receives the Business Leader of the Year Award

Esther Alcocer Koplowitz has received this award presented by Lainformacion.com, which annually recognises outstanding business leaders and entrepreneurs whose daily endeavours, ethical actions, sustainability, and contribution to society have made them a true role model.

DIVERSITY

FCC receives the ONCE Social Group Solidarity Award 2023

The social group ONCE recognised the solidarity of the FCC Group in the Company category for promoting social projects aimed at reducing aspects such as inequality, poverty, and the risk of social exclusion.

INNOVATION

FCC successfully holds the second innovation day promoted by its Digital Innovation Lab

The FCC Group has held its second innovation day promoted by its Digital Innovation Lab (DI_Lab), in its commitment to innovation as a strength and as one of the company's value creation levers.

PEOPLE

A great gardening team at the head of the Pradolongo and Plata y Castañar parks in Madrid.
