AUDITORS' REPORT ON FINANCIAL STATEMENTS

To the Shareholders of
FOMENTO DE CONSTRUCCIONES Y CONTRATAS, S.A.:

1. We have audited the financial statements of FOMENTO DE CONSTRUCCIONES Y CONTRATAS, S.A., which comprise the balance sheet at 31 December 2011 and the related income statement, statement of changes in equity, statement of cash flows and notes to the financial statements for the year then ended. The directors are responsible for the preparation of the Company's financial statements in accordance with the regulatory financial reporting framework applicable to the Company (identified in Note 2 to the accompanying financial statements) and, in particular, with the accounting principles and rules contained therein. Our responsibility is to express an opinion on the financial statements taken as a whole based on our audit work performed in accordance with the audit regulations in force in Spain, which require examination, by means of selective tests, of the evidence supporting the financial statements and evaluation of whether their presentation, the accounting principles and policies applied and the estimates made comply with the applicable regulatory financial reporting framework.
2. In our opinion, the accompanying financial statements for 2011 present fairly, in all material respects, the equity and financial position of FOMENTO DE CONSTRUCCIONES Y CONTRATAS, S.A. at 31 December 2011, and the results of its operations and its cash flows for the year then ended, in conformity with the regulatory financial reporting framework applicable to the Company and, in particular, with the accounting principles and rules contained therein.
3. Without qualifying our audit opinion, we draw attention to Note 10-a to the accompanying financial statements and the uncertainty relating to the refinancing of the bank borrowings of the Cementos Portland Valderrivas Group, which could have an impact on the accompanying financial statements. The directors expect the aforementioned refinancing process to be completed successfully in the first half of 2012, thereby allowing the debt servicing to be brought into line with the cement division's cash flow generation projections.
4. The accompanying directors' report for 2011 contains the explanations which the directors consider appropriate about the Company's situation, the evolution of its business and other matters, but is not an integral part of the financial statements. We have checked that the accounting information in the directors' report is consistent with that contained in the financial statements for 2011. Our work as auditors was confined to checking the directors' report with the aforementioned scope, and did not include a review of any information other than that drawn from the Company's accounting records.
