

FCC COLLECTS 1,122 MILLION EURO FROM LOCAL ADMINISTRATIONS
LINKED TO THE SUPPLIER PAYMENT PLAN

Madrid, June 7th, 2012. So far, FCC has collected invoices amounting to 1,122 million euro from several local corporations, within the Supplier Payment Plan created by the Government.

In the same way, and before June 30th, other outstanding amounts from Regional Administrations will be collected. Additionally, other public entities not included in these two first phases, would also pay their arrears, following government's criteria, until the total disposed amount of 35 billion euro is used.
