

REGULATORY DISCLOSURE

Madrid, November 6, 2015. Regarding news that has been published by the media and requested by the Spanish Stock-exchange Commission (CNMV), the Company wishes to inform of the following:

The Annual General Meeting of Shareholders, held last June 25th, agreed upon a capital increase up to 50% of the actual number of shares.

In this context the company is analyzing different actions focused on strengthening the Group's financial structure. In this regard there is a dialog process underway with the main Group's financial partners so as to identify the most appropriate ones.

Once the company's governing bodies decide on the execution of certain actions, FCC will release the according Regulatory Disclosure to the market.
