OTHER RELEVANT INFORMATION

Madrid, 26 July 2021. Pursuant to article 227 of the consolidated text of the Securities Market Law, approved by Royal Legislative Decree 4/2015 of 23 October (*texto refundido de la Ley del Mercado de Valores aprobado por el Real Decreto Legislativo 4/2015, de 23 de octubre*) and related provisions, Fomento de Construcciones y Contratas, S.A. ("**FCC**" or the "**Company**") hereby discloses the following relevant information (*información relevante*):

Further to the "Other relevant information" announcement dated 2 July 2021 (registry number 10385), FCC hereby announces that on 20 July 2021 the trading period ended for the free allocation rights corresponding to the capital increase by means of which the scrip dividend, adopted under the sixth item of the Agenda by the FCC's Ordinary General Shareholders Meeting held on 29 June 2021, is carried out.

The holders of 98.18% of the free allocation rights have chosen to receive new shares. Thus, the definitive number of ordinary shares of 1 Euro of face value to be issued in the capital increase is 16,067,018 shares, equivalent to 3.93% of the share capital before the increase. As such, the total amount of the nominal capital increase is 16,067,018.00 Euros. The estimated date for the commencement of trading of the newly issued shares on the Spanish Stock Exchanges is 30 July 2021.

In addition, shareholders holding the remaining 1.82% of the free allocation rights have accepted the irrevocable purchase commitment to acquire the free allocation rights assumed by the Company. Consequently, FCC has acquired 7,431,135 rights for a total gross consideration of 2,972,454.00 Euros. FCC will waive the acquired free allocation rights, as well as 15 free allocation rights of its property, additional to those waived, for the sole purpose of assuring that the number of new shares to be issued is a whole number.

In order to ensure the economic equivalence of the options for transferring the free allocation rights to FCC under the purchase commitment and receiving that amount in new shares, i.e., without favouring or penalising any options in economic terms, FCC will pay shareholders of the Company who have chosen to receive new shares a compensatory dividend ("**Compensatory Dividend**") of 0.416 Euros per new share they received in the context of the capital increase. The Compensatory Dividend will foreseeably be paid on 29 July 2021, once the deed regarding the capital increase has been registered with the Commercial Registry, but prior to the admission to trading of the newly issued shares on the Spanish Stock Exchanges.
