In accordance with the provisions of articles 539.2 of the consolidated text of the Capital Companies Act, approved by Royal Legislative Decree 1/2010, of 2 July (hereinafter, the "**Capital Companies Act**") and 28 of the Regulations of the General Shareholders' Meeting of **FOMENTO DE CONSTRUCCIONES Y CONTRATAS, S.A.** (hereinafter, "**FCC**"), the Board of Directors of FCC approves these Operating Rules of the FCC Electronic Shareholders' Forum (hereinafter, the "**Forum**") that will be made available on the FCC website (www.fcc.es) on the occasion of the call and until the holding of each General Shareholders' Meeting.

2. Rules of Operation of the Forum

These operating rules govern the setting up of the Forum on the FCC website, its availability to FCC shareholders and voluntary associations that may be constituted in accordance with current regulations, as well as the guarantees, terms and conditions for access to and use of the Forum.

These Operating Rules complement, with respect to the Forum, the rules set out in the "Legal Notice", "Privacy Policy" and "Cookies Policy" for access and use (hereinafter, the "**Conditions of Access and Use**") of the FCC website (www.fcc.es), which will be fully applicable to both access to and use of the Forum, in all matters that are not modified or are incompatible with the provisions of these Operating Rules.

FCC reserves the right to modify, at any time and without prior notice, the presentation, configuration, operation and content of the Forum, the Conditions of Access and Use and these Operating Rules, without prejudice to the provisions of the law.

3. Acceptance of the Forum's Operating Rules

Registration as a user of the Forum (hereinafter, the "**Registered User**") and access and/or use thereof implies full and unreserved acceptance of the terms and conditions of the Operating Rules and the current version of the Conditions of Access and Use of the FCC website (www.fcc.es).

FCC will be considered the Moderator of the Forum (hereinafter, the "**Moderator**") under the conditions and with the powers provided for in these Operating Rules, reserving the right to interpret in the event of doubt or discrepancy in the use of the same.

4. Object and purpose of the Forum

The Forum is set up for the sole purpose of facilitating communication between FCC shareholders on the occasion of the call and until the holding of each General Shareholders' Meeting.

By virtue of this, Registered Users may send, for publication in the Forum, communications that have the exclusive purpose of:

- Proposals that are intended to be presented as a complement to the Agenda announced in the call for the General Meeting. In no case may this right be exercised with respect to the call for Extraordinary General Meetings.
- Applications for adherence to these proposals.
- Initiatives to achieve a sufficient percentage for the exercise of a minority right provided for in the law.
- Offers or requests for voluntary representation.

In no case will the publication in the Forum alone of a proposal complementary to the Agenda entail its acceptance or, consequently, the modification of the Agenda announced in the call to the Meeting.

5. Registered Users

Access to and use of the Forum is reserved exclusively for individual shareholders of FCC and voluntary associations of shareholders validly constituted and registered in the special register set up with the National Securities Market Commission (hereinafter, the "**CNMV**") in accordance with article 539.4 of the Capital Companies Act and other implementing regulations.

Access to and use of the Forum by Registered Users is conditional on maintaining at all times the status of FCC shareholder, in accordance with the applicable regulations, or of a duly constituted and registered voluntary association of shareholders. If FCC, in its capacity as moderator of the Forum, has reasonable doubts at any time about the compliance of these conditions by any Registered User, it may require them to prove that they have maintained these conditions, and may request the provision of any information or documents deemed appropriate for the verification of the points provided herein.

The Moderator may request additional information and suspend or terminate Registered Users who do not meet the criteria of his/her criteria to comply with the aforementioned conditions.
